

PRESS RELEASE

MAXSYM TL 500 LATEST MODEL RELEASE

PENANG, 19 MAY 2020 – Mforce Bike Holdings Sdn. Bhd proudly introduced Maxsym TL 500 as the latest model in scooter segment today.

The new Maxsym TL 500 to be the latest competitor of this powerful scooter motorcycle segment will make its mark on the Malaysian market soon. The General Manager of Operations Mforce Bike Holdings Sdn. Bhd announce the Maxsym TL 500 will be selling at RM35,888.00. The Maxsym TL 500 is available in Matt Black, Matt Blue, and Grey and is available at SYM distributors throughout Malaysia.

The Maxsym TL 500 is the first chain scooter manufactured by Mforce Bike Holdings Sdn. Bhd. This model comes with four LED lights at the front that makes the headlamp looks brighter at night. In addition, this scooter comes with a very attractive digital meter system. This Maxsym TL 500 comes with twin exhaust that resembles a "Honeycomb Shape" beehive. The most interesting thing about this new scooter is the motor comes with a twin cylinder that can produce maximum power up to 40.2 kW at 6,750 rpm and maximum torque up to 42.5 Nm at 6,250 rpm. In terms of safety, the scooter comes with two 275mm discs in front of it and ABS system. For the rear brakes, it has a 275mm single disc and also comes with an ABS system.

The model also has a relatively large oil tank for 500cc engine capacity. The 12.5L petrol tank can help riders for long-haul rides. To make riders to ride comfortably, MAXSYM TL 500 is designed with a relaxed and ergonomic seating design. In addition, this new model has a beautiful and attractive instrument panel and has a TFT "Auto-dimmer" system.
